Cosmology	COSMOGENESIS	EMMANATIONISM	"DEITY"- CREATED COSMOS	AUTOMATED NATURAL "CONDENSATION"	PRE BIG BANG ORIGIN NOT YET ASCERTAINED	"GOD"- CREATED UNIVERSE	PERPETUAL SELF-CONTAINED UNIVERSE	ENTIRELY UNEXPLAINED "BIG BANG" ORIGIN
Teleology	We are evolving progressively toward DIS-Incarnate CONSCIOUSNESS	POST-CONSCIOUSLY ENFOLDED INTO MATERIAL MANIFESTATION	NATURAL LAW FUNCTIONING BUT INFLUENCED BY HUMAN "INTENTION"	ENTIRELY NATURAL LAW FUNCTIONING	POST-ULTIMATE EXPANSION CONDITION YET TO BE DETERMINED	THE PERPETUALLY - OSCILLATING HUMAN WILL - INFLUENCED UNFOLDING	THE PERPETUALLY- OSCILLATING MECHANICALLY DETERMINED COSMOS	TIME-LIMITED EXPANDING & DISINTEGRATING COSMOS (ENTROPY)
Ontology	Consciousness evolves elsewhere in our Universe VASTLY BEYOND the state human beings have EVER attained	Every inchoate quantum field is a HOLOGRAPHIC REPRESENTATION of the eternal Cosmic Consciousness joined in constant communion	Consciousness is the experience of the subtle field that bonds together every Inchoate Quantum Field into ONE UNIFIED & HARMONIOUS WHOLE.	Consciousness is a point of Focused Intuitive Attention from which an entity can intuit data relative to the "self" experienced by that entity	Certain things manifest consciousness, BUT this requires more scientific Research to determine what consciousness is	Consciousness is an integral "Third Element" of Material Reality with "Mass" & "Energy"	Consciousness is a Mechanical Phenominon generated by an adequately complex confluence of "Mass" & "Energy"	PANSPYSICISM Every "Thing" in the Universe is conscious, merely to a greater or lesser degree
Epistemology	We Human Beings NOW have access to NEW information provided by the Extra-Terrestrial Species to supplement our human knowledge	Human Intuition IS the function of some Biological Faculty much like "Seeing" or "Hearing." Human Beings possess ANOTHER "Faculty" to directly access THE INFINITE & ETERNAL SEA OF UN-DIFFERENTIATED CONSCIOUSNESS	Human Intuition has EQUAL VALUE to the data that we come to KNOW via our five physical senses, the traditions conserved by our Ancestors and our utilization of the Scientific Method	We Human Beings supplement direct "Sense Data" with the traditions conserved by our ancestors and our utilization of the Scientific Method via partial integration into our rational analysis of our HUMAN INTUITION	We Human Beings in addition to our direct "Sense Data" CAN KNOW data - but ONLY data that which has been subjected to - and generated by - "the Scientific Method"	We Human Beings in addition to our direct "Sense Data," CAN ALSO subtly discern the eternal Dualistic Dynamic taking place in our oscillating Cosmos	We Human Beings, in addition to direct "Sense Data," CAN ALSO discern the eternal Dualistic Dynamic taking place in our oscillating Cosmos	Each Human Being can TRULY KNOW only the direct "Sense Data" that he or she personally experiences via the FIVE physical senses
Mode of Ethical Reasoning	We must "take into account" in determining what is "Best" for us, as a species, how this choice affects our relationship with an Extra-Terrestrial Civilization	Seeking to comport one's own personal conduct in accordance with the ULTIMATE OBJECTIVE of THE CREATOR - and by way of one's own personal example, assist our Human Family to do the same	Seeking To comport one's personal conduct in a manner that most perfectly "harmonizes" with the Natural Order of the Universe - and to attempt to persuade others by Reasoned Argument	Utilize the Scientific Method as the means of determining "Fact" but supplement that by giving weight to data obtained thru Intuition	Insisting upon subjecting all propositions of fact to the Scientific Method BUT ALSO GENUINELY & OBJECTIVELY Exploring "Revolutionary" Theses	Remaining supportive and avocational of traditional values, customs & insight BUT respecting and being willing to feather in CONSTRUCTIVE progressive amendments	Remaining open to the CONSTRUCTIVE Dialectical Dynamic of the TAOIST inter-action between TWO only apparently conflicting Energies	Making AuthorITATIVE but NOT AuthorITARIAN leadership decisions in the interests of the entire community - as though they were ALL one's personal family
